RIVER PG-13

In the shadow of the Sierra Mountains in 1959, a small rural town is rocked by a series of mysterious killings and disappearances. As rumors spread and tensions rise, the town's sanity hinges on a grief-stricken sheriff and a local farmer, who team up to battle a monster of mythical proportions.

Loaded with suspense, RIVER is a captivating atmospheric monster thriller anchored in the ever-popular folklore of Bigfoot. This "two-hander" story sports a unique narrative structure and blends edge-of-your-seat action, with rich storytelling and relatable human drama.

Bigfoot meets rural 50's Americana.

The Count PG-13

The Count is an epic story of one man's lifelong struggle to escape the prison of his own past. It's a remarkable tale of redemption, romance and generosity. The story has a nostalgic narrative with both comical and sometimes dark mix of beats, that much like those in our own lives, for better or for worse, define who we are.

This sentimental memoir is one that will keep you captivated, and by long wondering, how you were blindsided by one of the most sensational plot twists you never saw coming! The sort of film you'll want to watch again and again, not just for the clues you missed, but for its unexpected turns and delightful storybook ending that will have you smiling and pondering the meaning of destiny itself!

Working-class hero finds destiny.

Once Upon A Heist PG-13

What happens when you combine a gritty crime drama and a poignant love story? Once Upon A Heist answers in fine detail with a narrative based on actual events. The script is a masterful collection of beats that will thrill, amuse and keep you on edge till the very end.

The screenplay follows the parallel destinies of Nico Barra and Angel Fuentes as they make life-altering decisions that ultimately effect themselves, their families and the women they love. To the moment their paths cross, you'll find an epic moral tale, destined to take it's place as one of the most riveting and thought-provoking indie films to enter the market.

A heist movie meets poignant love story.

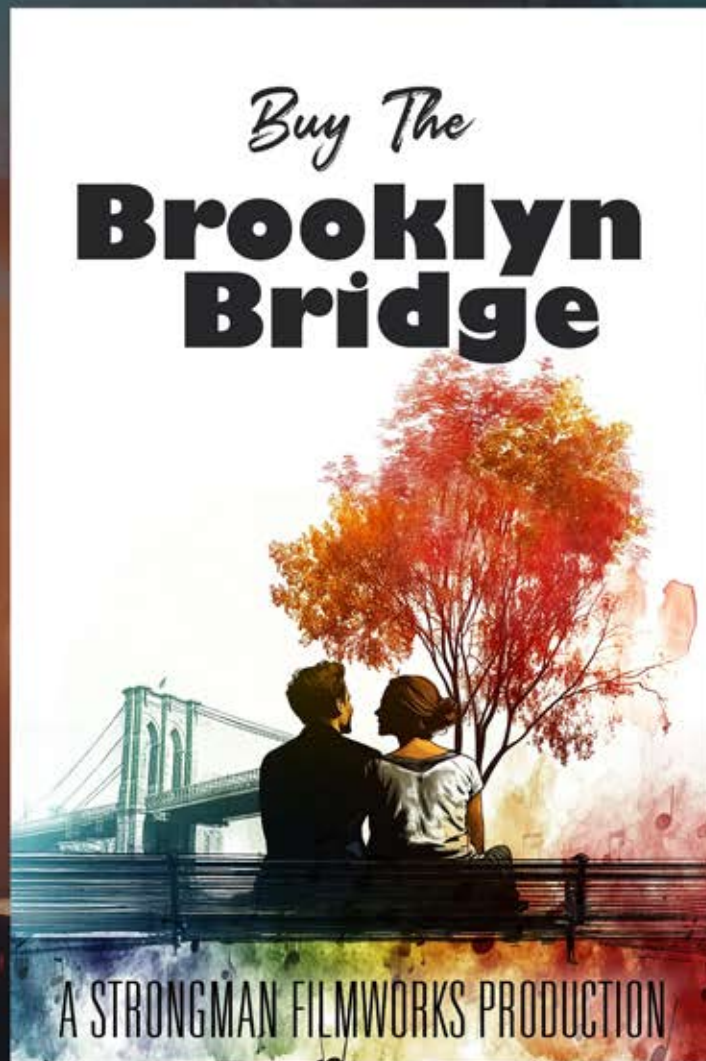

The Ghost In Joe's Garage PG-13

Get ready for a captivating ghost story steeped in mystery, rock & roll and muscle cars. Joe works hard and has a bright future ahead. He's engaged to be married to a beautiful woman and runs a successful car shop, but when his life turns on a dime, it claims a devastating effect on his spirit.

When a disturbing mystery unfolds with the help of a ghost in his garage, will he regain the confidence he lost and find true love once more? These questions and more will be answered in this poignant and bittersweet tale of love, life, greed and jealousy.

Mystery ghost story meets hot-rods.

Buy The Brooklyn Bridge PG-13

Set in an Italian neighborhood, Buy The Brooklyn Bridge is the story of a man suffering with a life-long mental condition and gifted with a savant-like musical talent. When enlisted by his ten year old nephew to help write a Christmas song for a school play, his talent comes alive once more after years of laying dormant.

It's a heart-felt story with a sweeping arc that explores music's capacity to usher magic into one's life. The film will easily make itself right at home on your list of favorites, for the narrative is as electrifying as it is touching. Well developed characters that come to life on the page will have you laughing, crying and by the end, cheering.

A Brooklyn tale of music, love and struggle.

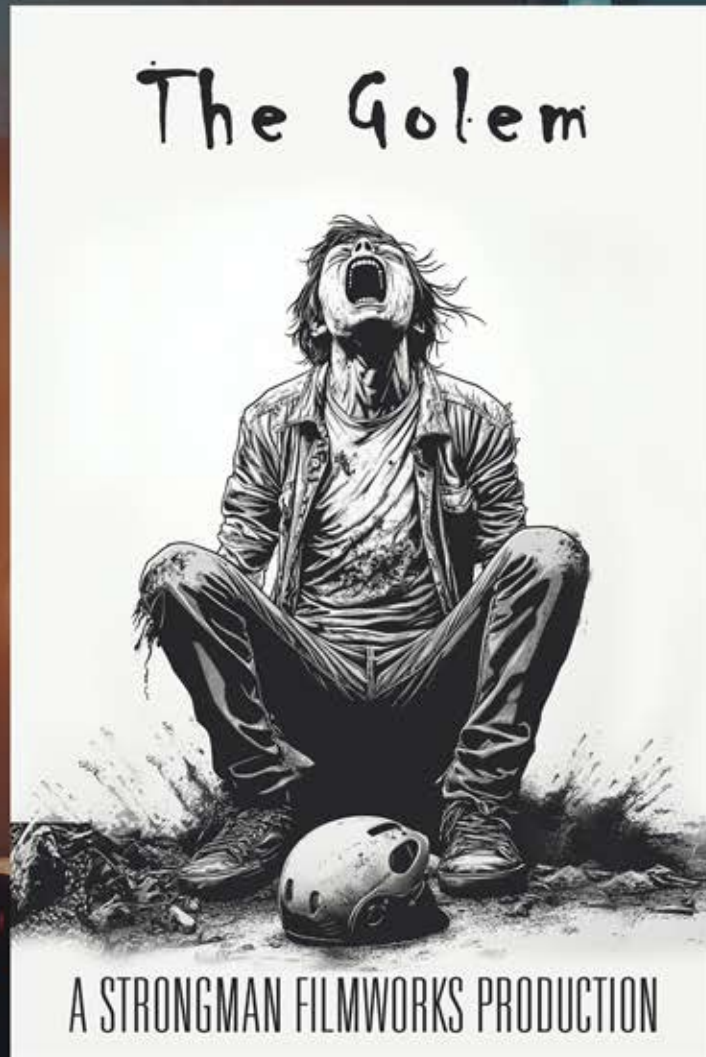

Werewolf Of Highland Moor PG-13

When twin brothers come at odds over a love interest, it's a race against time for one brother to prove the existence of lycan in their midst. Steeped in lore and superstition, this classic monster thriller is in the tradition of the films by Robert Eggers, as the writer takes care to establish a dark and chilling tone.

Monster thrillers of this caliber have traditionally required large effects budgets when done Hollywood style, but given the atmospheric writing and efficiency of Strongman's workflow, the time is at hand where films like this can be made at much lower cost. The landscape of special effects production has evolved rapidly, and demand for smartly produced projects like this one continues to grow steadily.

A classic werewolf thriller with a twist.

The Golem PG-13

As a well intentioned young man goes about his day, his mysterious illness leads to the genesis of a zombie apocalypse. The Golem is an allegorical tale where a seemingly normal way of life, becomes the vehicle that may potentially bring humanity to it's knees. The story is layered with innuendo around the hidden hand that grips society unaware, as it calls forth dark whispers aimed to normalize a sick and diseased culture.

This unique zombie screenplay would be the dream of any indie filmmaker, as it hits all the bullet points: Few characters, few locations and a high concept that's a wild ride from start to finish.

A teenager ushers in a zombie Apocalypse.

Uncle Larry Kicked the *Bucket*

A STRONGMAN FILMWORKS PRODUCTION

Uncle Larry Kicked The Bucket PG-13

If you're looking for a good down-to-earth comedy, this is the one to check out. Uncle Larry Kicked the bucket is pure comedy gold with a co-starring role that was originally intended for Christopher Walken.

The story involves an uber-rich, retired businessman who decides to cut some greedy family members out of his will in a rather unconventional way. A move that leaves a large portion of his estate to his favorite but struggling nephew.

A hilarious critique on the pitfalls of materialism, drives a journey that's part buddy movie and part rom-com. It's a true gem with non-stop laughs that will have you rolling in the isles!

A comedy where love and virtue prevail.

JOURNEY OF THE MAGI

A STRONGMAN FILMWORKS PRODUCTION

Journey Of The Magi PG

Let the word go forth that the three wise men will no longer be relegated a mere biblical footnote! Get ready for a charming and action-packed story laced with peril and personality, destined to become an all-time favorite for the masses!

From their tense interactions with King Herod, to the glorious ending we all know, the Magi hurdle their way through a series of mishaps, twists, struggles and trouble! It's a heroic adventure that will bring new life and meaning to the story in a way never before brought to the screen!

With Strongman's cutting-edge and super efficient workflow, this film is poised to achieve a production value on par with what major studios would traditionally spend tens of millions to achieve. If you're in the market for an epic that leans heavily into the Christian base and can be reeled in on a sensible budget, this is the one to back!

A biblical adventure epic.

Man In A Black Suit PG-13

Cloaked in the trappings of a gritty neo-noir, you will encounter a unique experience that defies typical genre expectations. Imagine a world where mystery and intrigue breach the Lynchian realms of the uncanny and an odd mix of characters weave their way into a stream of non-linear reveals.

Man In A Black Suit is a mystery sci-fi series with a fresh take on the origins of the men in black. It's an off-beat mindbender that deals in UFOs, alien abductions and time travel. It follows an enigmatic man in black, as he goes from assignment to assignment and pieces together random memories of his own existence.

An off-beat UFO spy thriller mystery.
